OUR MOTTO

"A Square Deal and Everybody Satisfied"

We are now passing through our third year in business in your city.

During that time we have handled nearly a million dollars in sales, which represents hundreds of customers, and all of them satisfied.

We have grown from one office and one salesman in 1907, to three large offices and fifteen expert salesmen at the present time, to say nothing of bookkeepers, stenographers, and other help.

We could not have accomplished this without the aid of the good people of this city, and we wish to thank them all, and extend to you a cordial invitation to come to see us. We want to know you and you to know us. We can handle your business promptly and satisfactorily. We have the organization to do it with.
